## **Personal Information**

**Name:** Mohammad Mahmoud Mohammad KHALAF  
**Date and Place of Birth:** 8/8/1968 Amman-Jordan  
**Marital Status:** Married (with three children)  
**Nationality:** Jordanian

## **Educational Background**

1. M. Sc. Degree in Fertility and Fertilizer, Faculty of Graduate Studies, University of Jordan, 1996.  
Thesis title: "Effect of Nitrogen Fertilization on Wheat Production Under Different Tillage Practices and Crop Residues Management"
2. Bachelor Sc. Degree in Soils and Irrigation Department, Faculty of Agriculture, University of Jordan, 1990.
3. Secondary Education, Certificate in Science, Jordan 1986.
4. Two years English Courses, Modern Language Center, Jordan, 1986.

## **Computer Skills**

1. International Computer Driving License by UNICEF in:
  - a- Basic concepts of information technology
  - b- Using the computer and managing files
  - c- Word processing
  - d- Spreadsheets
  - e- Database
  - f- Presentation
  - g- Information and communication
2. Profession managing the social and scientific statistical packages:
  - Statistical Package for Social Sciences (SPSS)
  - Analysis of Moments Structures (AMOS)
  - Scientific Design Analysis Usage (MSTATC)
  - Medical Statistics (Med STAT)
  - Statistical Analysis Software (SAS) Statistical Package
  - MiniTab

- NCSS Economical & Statistical Package
- STATA statistical analysis package
- E-views
- R-Statistical Mathematical Software

3. Professional Programmer in:

- ACCESS

4. Geographical Statistics (GS+)

5. Project management software

- MS Project management
- Work Break Structure (WBS)
- EPM (Microsoft Project Web Access (Administrator))

**Professional experience**

Date from - Date to	Location	Company	Position	Description
1997-2001	JORDAN	Tela Al Ali for Student Services	Manager	Statistical Analysis and Reporting
2001- 30/6/2009	JORDAN	Department of Statistics, Environment Division	Researcher and studies supervisor	Analysis of Data, Reporting, Questionnaire designing, building data entry access, lecturer of statistical procedures and statistical analysis
